March 12, 1958

Professor Joshua Lederberg  
Department of Genetics  
University of Wisconsin  
Madison 6, Wisconsin

Dear Joshua,

I have good hopes that I shall be able to  
keep to my original plan to leave here Sunday, March 16,  
and arrive in Madison on Wednesday evening, March 19.

I shall, however, confirm this by wire from  
New York.

Looking forward to seeing you soon,

Yours sincerely,

A handwritten signature in cursive script, appearing to read "Luca", which is the first name of L. L. Cavalli-Sforza.
